

GAN WEI YING

Software Engineering Student | Front-End, AI, IoT and Modern Applications

Kajang, Selangor, Malaysia

linkedin.com/in/weiyingg

Internship: 12 Oct 2026 - 9 Jan 2027

PROFILE

Software Engineering undergraduate at UTAR with hands-on experience in OOP, algorithms, database-backed web development, mobile applications and interface design. Interested in front-end development, AI, IoT, cloud computing and practical technology with clear user experiences.

SELECTED PROJECTS

SmartFarm AI

Flutter, AI concept, Weather API, IoT

Designed a planting application experience with plant-health assistance, weather insights, smart-irrigation ideas and recommendation-focused screens.

Freelance Project Scheduling System

Java, OOP, Algorithms, File I/O

Built a user-based system that loads or generates project data and compares greedy, dynamic programming, brute-force and weighted scheduling approaches.

Medi-Flow Orchestrator

UI/UX, Healthcare workflow, Team project

Contributed UI and UI/UX design to a hackathon concept that identifies action intents in consultations and routes digital orders to laboratories and pharmacies.

Campus Secondhand Marketplace

PHP, MySQL, HTML, CSS, JavaScript

Planned a responsive marketplace with authentication, CRUD listings, search, filters, wishlists, item status, multiple images and pickup locations.

STRENGTHS

Problem-solving | Debugging | UI thinking | Teamwork | Communication | Fast learning

EDUCATION

Bachelor of Software Engineering (Honours)

Universiti Tunku Abdul Rahman (UTAR)

Oct 2024 - Oct 2027 (Expected)

Foundation in Science - UTAR

TECHNICAL SKILLS

Programming

Java, JavaScript, Python, PHP, C++, SQL

Web & Mobile

HTML, CSS, React Native, Flutter, responsive UI, CRUD

Data & Tools

MySQL, Firebase, Git, GitHub, Linux, Docker basics

Cloud & Practice

AWS foundations, OOP, data structures, algorithms, debugging, UI/UX

WORK EXPERIENCE

Beauty Assistant - Elemis

Product explanation, demonstrations, stock support and customer service.

Cashier - UTAR Mawang

Accurate transactions and daily counter support.

Tuition Centre Teacher

Patient, structured explanations for students.

Wedding Dinner Waitress

Efficient teamwork in busy event settings.

LANGUAGES

English | Chinese | Malay
